**FROM THE HELM**

WOW what a great membership we have. The turn out for the Open House was great. I told several of the new members “our members really know how to put out!” Thanks to everyone. I have just returned from a “Sunny, Sunday afternoon at the Club.” Many people were working on boats and even more enjoying the deck.

I have been a member of HMBYC for 27 years. What is important to me is not whether it's in the existing building, a new building, on the beach or even in a circus tent, what's important is the PEOPLE. This Club has heart.

A definition of diversity is: a variety of something such as opinion, color or style. We have diversity and I love it.

Upcoming events: anyone up for an Easter Sunday Potluck Brunch? Don't forget Memorial Day, it will be busy and we will need help to show our guests “we know how to put out.”

- Kay Burns, Commodore

**TUSCAN CRAB DINNER**

On Saturday, March 4<sup>th</sup>, the annual crab dinner was held at the Club. A scrumptious meal of “all you can eat” marinated crab, salad and garlic bread was enjoyed by the lucky people who bought tickets. A crowd of about 75 people attended this event. Thanks go to Jeff Hume and Carol Smith for preparing the crab, Phyllis Smith for preparing the salad and garlic bread and everyone else who helped cook, serve, and clean up. It was a great dinner!

**CLUB CLEAN UP**

The week before the Open House on March 19<sup>th</sup>, a dedicated group of folks spent most of that week at the Yacht Club, cleaning and painting. For those of you who have not yet seen the results, the Club looks great! Neal Wehtjie and his volunteers painted the floor and some pieces of furniture, moved the beached docks, cleaned out the weeds and the fire pit and lots of other things. Thank you all! An other “Paint Week.” starts March 3<sup>rd</sup>.

## UPCOMING EVENTS

### GENERAL MEMBERSHIP MEETING

On Saturday, April 22<sup>nd</sup> at 3:00 there will be a second, "All Hands" General Membership Meeting. For those of you who missed the General Meeting on March 25<sup>th</sup>, much of the discussion was about the New Building, and there was an excellent presentation by George Wikle. The membership approved the plan for the new building in September of 2000 and since then, an architect was retained and permits have been pursued. At this point, we are very close to having the final building permit in hand. With this eminent permit, the Board of Directors approved a detailed project plan prepared by Gordon Wise. Gordon's plan will have all information and the current costs involved. Gordon will present his detailed plan at the meeting on April 22<sup>nd</sup>. After Gordon's presentation, the current membership will then "vote with their checkbooks" to determine if we can raise the funds to build the new building.

Everyone is highly encouraged to attend this Meeting. The future of our Club is at stake!

To see George Wikle's presentation, please go to the website.

### The Great Snow Ball Fight of March 11, 2006

On Friday, March 11<sup>th</sup>, Half Moon Bay and the Coastside experienced some wild weather! Rain and wind occurred all day long, culminating in a giant hail storm around 9:00 pm. The members at the Club that evening took advantage of the situation. They let their “inner child” come out, and had a great, WET, snowball fight. Below, courtesy of Cynthia Ramseyer, are pictures of the historic event. Left, below we see Mike Madden, Jeff Hume and Neal Wehtje enjoying a laugh. (please note the tiny snowmen on the table behind them) and Right, Mike Madden and Neal Wehtje, with Neal getting ready to launch a snowball.

### ADOPT A CAL 20

Adam Quest and Sirje Bewley have proposed an “Adopt a Cal 20” program. This program consists of a sponsorship of a HMBYC owned Cal 20 vessel by two or more HMBYC members, one an active and knowledgeable sailor and the second, a novice/new interested sailor. The benefits are many. It will allow interested club members who are novice sailors to become more involved and learn about sailing and sailboat tuning and maintenance. It will also aid in the development of the Cal 20 fleet. Interested parties should contact Charlie Quest or Adam Quest.

As Charlie quoted a former Commodore: “Our mission is to have fun in or near the water”. Take advantage of all the Yacht Club has to offer.

## **MEMBERSHIP OPEN HOUSE, SUNDAY MARCH 19**

It was a picture postcard coastal day; blue sky, sunshine and soft breezes abounded. The Yacht Club never looked better, with a fresh coat of paint on the floor; the grounds newly cleaned up; orange, blue and white balloons waiving in the wind and bouquets of flowers everywhere. The donated food was fantastic, a huge variety for all to enjoy. And the best part was all of the members who turned out to meet and greet each other and our guests, the potential new members. "Information Stations" were set up through out the club, highlighting General Information, New Building information, Ships Store and Special Events. Obviously, the warmth and camaraderie was evident because the Club ended the day with 22 new members! Congratulations go out to Membership Director, Marie Parfitt-Pattie, and all of the members who donated their time and talent to the event. What a great day!

The following is the article that appeared in the Half Moon Bay Review newspaper on March 1, 2006. The wonderful article, written by Margaret Michelle Swift, was published to promote the Yacht Club and invite people in the community to attend the Open House.

At the heart of the Half Moon Bay Yacht Club is a community of friends that consists of families, singles and children. On Sunday, March 19, from 2 to 6 p.m., the membership-only club will host an open house where guests will have a chance to meet members, sail around the harbor, mingle around our indoor and outdoor fireplaces, walk on our beach, and enjoy hors d'oeuvre's and our no-host bar. This Princeton seaside gem offers social, recreational and educational opportunities for its members and guests. As Commodore Kay Burns points out, the Half Moon Bay Yacht Club is one of the few yacht clubs to own its land and building. This year, with supportive membership, the club hopes to add a beautiful addition to its existing structure. While increasing our views it will also allow for future growth and more exciting activities. Owning a boat is not a requirement for membership. Terri Lahey and Steve Smith learned to sail at the club prior to joining. For those who have been checked out - most of whom have participated in the club's sailing and water safety programs - club boats are available. Although Sailing Sundays, Racing Sundays, Kayaking Sundays and other water-based events are of terrific interest, some members are less interested in aquatic activities. Friday night dinners, now catered by Special Events Catering, are a long-standing tradition. Volunteer/members have already enjoyed the annual Crab Fest, Super Bowl Sunday, and a sit-down Valentine's Day dinner. Events such as Fourth of July Bonfire, the annual Dinner Dance and Commodore's Ball are yet to come. Christmas Day and New Year's Day are also popular days for gatherings. Jennifer Celestri, a member for many years, claims, "It's a great place to come, sit on the deck, listen to the waves and the fog horn and to get acquainted with people on the coast." Peggy Ruse adds that membership gives one the chance to "... kick up your sailing skills, network and meet old and new friends in an inviting and warm atmosphere." Youth events and friendships flourish. Rachel Pierceall and Geena St. Andrew are both 12 years old and best friends. Taking advantage of the club's kid-friendly atmosphere where they can watch the big screen TV, play with their dog on the beach, or hang out in the Kid's Room, Rachel invited Geena to the club on a regular basis. This led to a friendship between their parents that resulted in Geena's family joining the club last year. The yacht club considers youth sailing programs to be of critical value to the club and intends to offer a one-to-two week sailing program this summer. The clubhouse is available for members for their own personal use for a nominal charge. Al and Claudia Linhares, who live aboard their motor vessel at Pillar Point Harbor, chose to marry at the club last year. Once their decision was announced, members and friends gathered together to give them their dream wedding. With Half Moon Bay in the background and pelicans flying overhead, the happy couple was pronounced husband and wife. Last, but not least, the club enjoys a reciprocal agreement with a vast number of other yacht clubs world wide. The Half Moon Bay Yacht Club is located at 214 Princeton Ave., at the intersection with Vassar Avenue. For more information, call 728-2120 or visit our Web site at [www.hmbyc.org](http://www.hmbyc.org).

Margaret Michele Swift is chairwoman of publicity and advertising for the Half Moon Bay Yacht Club. She lives in Moss Beach
