FROM THE HELM

So sorry to report that there is no official "From the Helm" message from our Commodore, Kay Burns this month.

At press time, Kay had a small accident (hips are ok, back is wrenched) so she was unable to write her article.

Some recaps from last month.:
Thank you, Veronica Ciari for the wonderful Father's Day BBQ.

The General Meeting held on June 24th covered the current status of the New Building. At this time, the Building Committee was going back to the architect to explore new plans for a single story building. The Building Committee also spoke with several local builders to gather their input. San Mateo County will work with us so we can explore this new territory without having to start the permit process again. As more information occurs, we will share it.

Happy 4th of July, Everyone!! And we hope everyone will come out and support our Club at the Open House on Sunday, July 9th. Let's repeat our success from March:

NEED A VACATION??

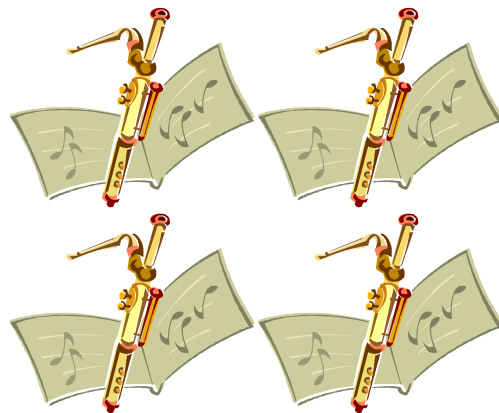

Are you feeling the need to get away? Just can't decide where to go or what to do? Then come to the Yacht Club on Saturday afternoon, July 15th and member Ginger Minoletti, owner of Bay World Travel may have the answer you are looking for. On Saturday, July 15 at 3:00, Ginger and Captain Brenda will give a presentation about Fantasy Cruises, a small ship cruising the majestic Pacific North West from Seattle. The September trips are for 7 days/6 nights, September 7th or September 15th. Come learn about the special benefits of sailing on a 130 foot, 32 passenger vessel that goes into many bays and inlets only known by the local experts and only accessible by small ships. Kayaks are available for use by guests and other activities are available for non-kayakers. All cabins have baths and a window that actually opens! The trips are all-inclusive with daily cocktail parties. Cruising is done during the day, while evenings are spent in tranquil bays or cozy harbor towns. What a great trip and what a great opportunity for Yacht Club members to travel together!

BASSOON QUARTET BRUNCH

SUNDAY, JULY 30

Heard a bassoon quartet lately? Didn't think so! Thanks to our ongoing efforts to have only the finest music at the HMB Yacht Club, this gaping hole in your musical experience will be remedied by the appearance of the Moon Town Schmatts Bassoon Quartet at a brunch from 10:00 a.m. - 1:00 p.m. on Sunday, July 30th. They play everything from classical to The Beatles. All of the members are accomplished musicians - with a sense of humor. Carol Smith and Barbara Dinnsen are the cooks. Cost is \$8.00. We have no idea how many people to expect at an event like this, so we would appreciate reservations at michael_c_madden@msn.com. You are welcome to come without reservations, and although you will hear good music, you may wind up having breakfast at McDonald's.

Momentum Builds for “COME SAILING SUNDAYS”!

June 18th saw the third monthly “Come Sailing Sunday”, and the momentum is really building. More than 20 folk got to ride out into the harbor during the course of the day, a great mix of experienced sailors, first-timers, club members, guests and visitors.

And that is what the “Come Sailing Sundays” are all about.

The role of Sailing Officer has been created by the Instruction Committee with Board approval to provide an experienced individual responsible for hosted sailing activities on Come Sailing Sundays. On those days the club’s newly established and ever-growing fleet of CAL20s, normally available to any qualified member to sail at will, is placed under the Sailing Officer’s control to ensure that all members, guests or visitors, especially those to whom sailing is a new experience, can take a spin with an experienced skipper and discover the delights of being afloat under sail.

The CAL20 has proven an ideal platform for complete novices to enjoy a non-intimidating, sociable, dry-foot introduction to sailing. Those familiar with boats but not cleared on the CAL20 can take the helm and relax with a beverage on a sunny day, or may seek to have their skills sharpened as a step towards qualifying. And of course qualified members get the thrill of giving other people a good time. It’s all about having whatever kind of sailing fun you want to.

Usually the Sailing Officer will spend the day ashore, making the first boat ready, then, as expectant folk and qualified sailors show up during the day, coordinating passengers, skippers and boats, ensuring waivers are signed, setting expectations and generally looking cool talking on VHF. “Neal, Neal, Neal, time to switch, we’ve got 3 more victims for your tall tales”. If everything is running smoothly ashore, or there are no other qualified skippers, the S.O. may skipper a boat, relying on the day’s Watch Officer to signal the

arrival of more takers. Gosh, we’re such a flexible organization.

We are very excited about how many HMBYC folk and friends are suddenly getting out on the water. For many participants this is their first season afloat after many spent ashore watching as others would dressed up like ninja warriors, fall over in their dinghies, struggle wetly back to shore and heave hulls up and down the slip, the onlookers knowing quite clearly that was not *THEIR* idea of fun. We see “Come Sailing Sundays” and the CAL20 fleet as powerful, new catalysts for growth both on the water and in the clubhouse.

The next “Come Sailing Sunday” is on July 23rd and they are scheduled through October, weather permitting. We may even add bonus Sundays in between the ‘official’ monthly dates as demand and opportunity presents itself – keep an eye out for them by reading your weekly TellTales email!

So spread the word, come down on July 23rd, bring your friends, and if you are qualified for a CAL20 help us by skippering one.

will be the “Sailing Officer” on
duty.**

**He will take anyone interested
out on the Cal 20s from
Noon until 5:00.
Come and HAVE FUN!!**
