

CLUB RENTALS

Member Rentals

Members in good standing can rent the large function room, the deck, or the covered part of the deck called the Lanai for parties, receptions, etc., subject to approval by the Club's designated Rental Manager. The Old Clubhouse and its bar area are always open to members and cannot be rented.

If you are interested in renting, here are a few things to keep in mind:

Weekends are busy times at the Club throughout the year. Weekdays are less busy, but there is always the possibility that there may be a scheduled event that could conflict with yours.

Therefore, we need to have your request at least 30 days before the event. The Club's calendar fills up quickly and your chances of getting the date you want are greatly improved by planning early.

The ideal-sized group is between 30 and 80 people. Due to limited space, the Club cannot accept a rental request for more than 100 guests. Also, remember that, regardless of what is going on inside the Club, we are always a yacht club and there will likely be lots of people and activities surrounding your event.

The first step is to tell us everything you can about your event. To help you, there is a Club Use Request Form that you can download from this website. Fill it out and send it, accompanied by a deposit check in the amount equivalent to the rental fee shown on the Form (Example: If you are renting the large room, the deposit would be \$200) to Rentals, HMBYC, P.O. Box 52, El Granada, CA 94018.

As soon as we receive your Request Form, our Rental Manager will contact you by email or phone. He/she will confirm your event date and set up a meeting at the Club during which a detailed Specification Memo will be produced, setting forth your requirements.

Non-Member Rentals

Most of the above information applies to non-member rentals. The Club Use Request Form indicates the rental rates for non-member rentals and the deposit will be different, as well.

Because member rentals take precedence over non-member rentals, planning early and getting your request to us as far in advance of the event as possible becomes even more important.

Parties for Children and Minors

Because there are safety issues that are more acute for events intended primarily for young people, the Club has established policies governing such requests. The Club's Rental Manager will be happy to explain those policies to you.
