## 2018 HMBYC Youth Sailing Camp

**Youth Sailing:**  
**Monday through Friday**  
**8:30 AM - 3:30 PM**

**Opti/Laser Learn to Sail**  
**Ages 8-18**

This class focuses on basic rigging and boat handling fundamentals with an emphasis on fun and safety. Activities include knots, sailing games on land, simple drills on the water as well as picnic type sailing excursions. Although no experience is necessary, campers must be comfortable in the water while wearing a life jacket and will need to provide a lunch for themselves.

Campers ages 8-12 will be sailing in Optimist dinghies (An Opti is a one person pram approximately 8 feet long.) Older campers may sail either Optis or Lasers. (A Laser is a higher-performance skiff used for both recreational and competitive sailing, including in the Olympics.) Advanced sailors may also be offered the opportunity to sail in 2-person teams in our FJ racing dinghies.

### Swim Test Information:

I understand that my child will be expected to perform a swim test on the first day of camp. The Swim test will involve swimming 20 yards with and without a PFD (Personal Floatation Device) and also treading water.

# Parent & Sailor Responsibilities

## 2018 HMBYC Youth Sailing Camp

### Take the swim test

All campers will be expected to take a swim test on the first day of camp. This will involve a 20 yard swim with and without a life vest and treading water.

### Prepare your sailor

Please ensure that your sailor has the appropriate attire for sailing. Think about layers like fleece and wool for cooler days and quick drying fabrics or rash guards when the sun is out. Please no cotton for on the water activities!

Your child's enjoyment will primarily depend on their comfort. Ensure that they will be warm, protected from the sun and well fed!

- BIG bag to put everything in
- Sack lunch and snack
- Snugly-fitting wetsuit
- Sailing gloves (Rubberized gardening gloves work great and are a less expensive solution.)
- Neoprene booties or comfortable closed-toe shoes
- Sun hat and warm hat
- Sunscreen
- Sunglasses
- Weather-proof jacket
- Change of clothes and towel
- Water bottle

### Please arrive on time:

To maximize instructional time, please enable your child to arrive with enough time to be *ready to sail* by the beginning of the class period. We suggest arriving at the club no later than 15 minutes prior to the beginning of class. Rigging and chalk talk will begin promptly at 8:30 AM. Especially the youngest in our classes need assistance and time to get dressed properly. Please arrive early if this is the case.

### Parent Involvement:

Parents and Grandparents who wish to observe the camp are asked to do so from the club deck. We ask that you do not interrupt the class once it has begun as this will impact the instructor's flow of thought and could compromise the learning and safety of all students. If there is anything that you are worried about and would like to share with the instructor, regarding instructional time or techniques, please inform the instructor before the class begins.

### After class:

It is imperative that you pick your child up, or make arrangements to do so, immediately after class is over at 3:30 PM. If you are not personally able to pick your child up and wish to carpool with another student or send someone else, we will require written authorization to release your child to anyone other than the parent or guardian. The instructor will not be able to supervise your children more than ½ hour after class unless advance arrangements have been made, by paying the instructor's salary for the time.
