

In response to the rapidly changing Covid-19 situation and the guidelines of the San Mateo County Health advisory, the board has made the extremely difficult decision to close the club until further notice. Unfortunately, this means there will be no land or water events, the bar will be closed and there will be no honor bar activity. Members will still be welcome to use our paddlecraft fleet, sailboats and boatyard. We feel that this is the best decision for the health of our members and of our surrounding community.

We will monitor the situation very closely and hope to resume our club activities as soon as possible. We value your continued support of the club through this difficult time and truly appreciate each and every one of our wonderful members.

We wish you and your family the best of health.
