We are a volunteer club and we hope everyone will get involved at some level to be able to continue our mission.

Half Moon Bay Youth Sailors participate in the BAYS regatta at Encinal Yacht Club!

This past weekend Hannah took 3 of our budding youth sailors to participate in the BAYS (Bay Area Youth Sailors) Regatta at Encinal Yacht Club – July 20,21.

BAYS strives to foster improved communication and cooperation among existing and aspiring junior sailing programs in the region; generate excitement and enthusiasm for junior sailing and its ideals; facilitate the linkage of aspiring junior sailors to available resources; and provide a forum for the collection and dissemination of ideas and best practices in support of junior sailing.

The breeze was good and the sun was shining, but competition was tough.

Congratulations to Kierra Cullen and Kelby Kramer who competed in Laser Radials and Sonya Cullen in the Optimist Class. All three sailors showed great sportsmanship and determination and learnt loads from the experience.

This was the third regatta in a series of 5.

BAYS #4 – Aug 10/11 St Francis Yacht Club
BAYS #5 – Aug 31/Sept 1 Tiburon Yacht Club.

Huge thanks go to Hannah Tuson-Turner who gave up her weekend to volunteer and coach these three budding sailors. We have a ways to go to become truly competitive on the Bay, but this is a very exciting first step!

All members have access to the Club's Bar Room, Lanai, and picnic tables at all times. However, when a MEMBER RENTAL of the Event Center appears on the Club calendar, common courtesies should apply, including:

- ◆ Please keep children, dogs, sand and clutter out of the Event Center during a MEMBER RENTAL occasion.
- ◆ If toilets and showers in the Event Center are needed, please go around the exterior of the building and enter from the rear of the building rather than track through a member's private event in the Event Center.
- ◆ Please park diagonally rather than parallel to the fence on Vassar Street. This allows for 5 or 6 cars to park rather than just a couple of cars in the same space.

HMBYC is a great place filled with great people and great events, but it does take coordination and cooperation. Thank you for your consideration of your fellow Members' private events.
