KARAOKE NIGHT AT THE CLUB

Notes & Photos from September 20, 2013

Bodies writhed and slithered against the transparent walls of the lanai. Voices howled and crooned their favorite tunes, a few in the same key as their instrumental back up. Audience members coaxed and cajoled the performers for more. Then audience members, one by one, became the performers. There was a seemingly endless flurry of post-it notes with song requests. It was like a music bakery (adjacent to a bar), with everybody waiting for their number to be called. And more than one performer tried to dance with all the other customers. We were in awe.

It was phenomenal! I loved every minute of it! Maybe next time I'll sing a song.

VOLUNTEERS ARE THE LIFEBLOOD OF HMBYC

Our club survives on the backs of our precious Volunteers. They range from Committee Members, to Watch Officers, from Committee Chairs, to Board Members...and beyond. This month, I would like to honor one of those special Members.

Bernice Marshall has handled the tedious & frustrating position of scheduling our Watch Officers & Host/Hostesses, and all by herself. She put into place a new online program, in an effort to make scheduling easier & quicker for the participants. But, many times due to last minute needs for swaps, she has blocked a "pub shutdown" by jumping in herself to cover the void.

Bernice has been known to do dishes, clean, take out the trash, paper product replacement, general pickup; all, with a smile! So, when you see her at the club, please give her a big smile & a thank you.

Natalie D. Sturm
Vice Commodore

Thank You Bernice!

Sponsors Race • September 14, 2013

The Cal 20 group had a fun Sponsors Race Saturday September 14th. The wind was good and crews changed boats between races. With 7 races and 7 different boats participating, each crew sailed a different boat each race, giving all crews an equal shot to accumulate wins.

Racing was broken up with delicious leftover lasagna and watching the America's Cup sailing - inspiration for our afternoon races.

Fun was had by all and we were all winners on that count. First place for the day with 40 points was *Peggy and Joel*, second with 35 points was *Clive and Dave* and third were *Andy and Beth* with 34 points. Brett came in fourth with Bruce in the boat in the morning and Jimmy in the afternoon.

GIRL'S SAILING SCHOLARSHIPS

Women Sailing hosted all of the girl scholarship winners and their moms for a robust sail and a fabulous potluck dinner on Thursday, 9/26. Nina Marzocca, Isabella Giaquinto, Jennifer Maruscelli, Ella Boldt, and Tori Boldt made heartfelt presentations about what learning to sail meant to them. Independence, courage, confidence, overcoming fear, intelligence and pure joy came up as they described their experience at camp. They inspire us to continue fundraising to send more girls to sailing camp.

HMBYC Women Sailing group attend Island Yacht Club Seminar

A group of women from HMBYC Women Sailing attended Island Yacht Club's Women Sailing Seminar this last weekend.

Carlaine Johnson brought her Freedom 38 over to warm, sunny, Alameda, and was joined by our scholarship winner Angel, as well as Ann, Jennifer, Elizabeth, Flo and Lori.

The keynote speaker was Sally Honey, 2 time US Yachtswoman of the year. Also teaching was legendary sailor Linda Newland.

On Saturday, the HMBYC women had great luck at the raffle, highlighted by Jennifer Celestre winning a Skipper's Certification Course through Club Nautique and Lori Rhodes Morris winning a sailing course at Modern Sailing in Sausalito. The women considered driving to Vegas that night, but instead opted for a slumber party on Carlaine's beautiful boat and breakfast the next morning at Oakland Yacht Club.

On Sunday, we split up to race on the Alameda Estuary or do a Bay Sail.

We all had a wonderful time.

Hannah's 'Time On The Tiller'

Hannah Tuson-Turner • Sailing Programs

Hello HMBYC members!

This fall has been loads of fun in the sailing department for two reasons, youth and adult sailing! Here's an update of our programs run through my department this season.

As HMBYC enters into our second year of year 'round sailing programs, youth sailing is well attended with two class sessions out on the water Sunday mornings and Tuesdays after school. Sundays are "fun-days" with 7 participants- we've been making great use of kayaks, sups, optis etc. to have a few hours of pure play every weekend from 9am-12pm. This past Sunday we were privileged to encounter bat rays and even a small (don't worry, only sand-dwelling) leopard shark on our way to the tide pools on the other side of the harbor! Just awesome to see for both the kids and myself.

Tuesday is Teen Sailing with 6 middle and high-school students honing their racing skills mostly on the clubs Lasers. We are training for the Vice-Commodore's Cup this weekend, Pumpkin Round-Up and the Last Gasp Regatta held by the club as well as the possibility for some "frost-biting" this winter with the big youth fleets on The Bay! Please help to wish the youth racing fleet the best of luck for all the exciting challenges approaching.

After an extremely busy summer of Adult Cal20 classes and seminars, there was still a wait list for this fall's session that was held in a different format. Two introductory classes of nearly 20 people each were held in June and July and we continued in September with a smaller session of 6 participants. This was our final official Cal20 class for the year but Sunday Skippers and Wed night sailing are still going on so if you didn't quite make it into one of the adult classes but still need your on the water fix, make sure to stop by one of these ongoing events. A big thank-you to all the skippers and examiners who showed up to help with classes and sailing events all year. Thanks also to the Cal20 sponsors for keeping the boats in such nice condition for the the rest of us to have the pleasure to sail on.

On another note, great to see the C15s out on a regular basis! Also, this past weekend we had some members out learning how to fly a spinnaker on the Impulse. Wahoo! Looking forward to lots more sailing before winter hits and this gorgeous so-cal weather leaves us for a while.

See you out on the water.
