# THE HALF MOON BAY BOAT CO-OP

The Half Moon Bay Boat Co-op started in 1979 with 15 yacht club members who shared a co-op sailboat. This was before our yacht club owned boats for members to use. It was a great way to get out sailing, and this is still true. The co-op boat is now bigger, and membership is ideally six to ten members. There is no principal owner, so a simple majority carries the day. The boat is a Cal 2-27 with roller furling jib and an 18hp Yanmar diesel engine. All lines are led aft, and for the adventurous folks, there is a fine spinnaker set up on this sturdy outer-coastal boat. Co-op members register online to use the boat for a day, or once a year for a week. The co-op was an early part of our yacht club history. They are looking for additional members.

Contact **Urs Willimann** to learn more: **650-515-6007** or **uwillimann@yahoo.com**.

# WE LOVE OUR CLUB

We love the sand, the water, our paddle boards & sailboats.

But, we don't love the mud, sand, flooding & mess it brings to our showers, sinks & bathrooms. Recently, we have had to clean up the sandy tracks, flooded bathrooms, loads of wet-suits, mud & debris brought in after a fun-filled day on the water.

Please, as responsible Members, use the outside hot water showers, to wash off your bodies, wet-suits, toys & what-not, before entering through the back door. The inside showers, are for bathing, not for washing off. Please do not use the ocean side door leading into our Dining Room, as other activities may be in the works. Parents, please remind the little ones.

We love our club, & all that it offers to our Members. So, please wash off those muddy feet.

On Saturday evening, December 14, Pillar Point Harbor will hold its Annual Lighted Boat Festival starting at 6pm. Walk the docks and view the lighted boats.

Go visit our fellow members at their boats and share your choice of best decorated boat. Celebrations continue on land near the harbor master's office with food booths and music. Wear a HMBYC hat, coat or sweater from Ship's Store, and head over to the harbor celebration for this family-friendly celebration.

*Want another view of the harbor lights along with sea life?*

Paddling the Festival of Lights from 4-7pm is offered by The Gulf of the Farallones National Marine Sanctuary and Farallones Marine Sanctuary Association. \$60/person

## *Light The Way To A Brighter Holiday*

**Coastside Hope**  
A Community Assistance Center

**Coastside Hope** is a local charity providing assistance to local low income families and seniors who work and live on the coast side from Montara to Half Moon Bay. These are our neighbors. At Christmas their program **Adopt A Family** provides gifts to brighten the lives of these folks, children, & seniors. For several years we, individuals at the HMBYC have donated to this worthy, local, and nonprofit organization. The board has approved this voluntary charity activity.

If you would like to participate, there will be a jar with envelopes on the bar at the club until closing 12/15 . Please leave your tax-deductible check in the jar with the memo noted HMBYC. The HMBYC notation will facilitate **Coastside Hopes** ability to report the grand total to us for publication in Tell Tales. Any questions please contact Deirdre at 408-394-8708 or [quartermaster@hmbyc.org](mailto:quartermaster@hmbyc.org)

Thank you. Happy holidays to all.
