Winter Cal 20 Maintenance & Breakfast

Saturday February 13 • Breakfast Starts at 9:00 am

It's that time of year again. We will kick off our winter Cal 20 maintenance Sat, Feb 13th.

Clive and I will be serving an English breakfast at 09:00am followed by a short meeting to discuss maintenance tasks to be accomplished. New members wishing to join the sponsor program are most welcome; this would be a good time to meet our group. We will then head out to the boatyard to start work (dress appropriately). We will work into the afternoon, weather and your own personal schedules permitting.

Opening day at the club is April 10th. We would like all the boats in the water by then. That gives us 2 months to get all the work done!

Looking forward to seeing you all. Thanks to all.

Dave Slater & Dave Morris

Volunteers are the Lifeblood of HMBYC

The club is looking for volunteers to fill some important positions. These are great ways to learn more about how your club operates and help us be a fun place to be.

Notes from our
Rules of Racing Presentation
January 28th, 6:00 pm

A good crowd assembled for our first Winter Sailing Seminar which featured Marcus Choy reviewing the Rules of Racing. Racing Rules need a lot of review because they are somewhat complicated and confusing and ever changing. Marcus provided a great page of condensed rules, suitable for laminating and keeping on board with you as well as a nice little booklet with good diagrams explaining various situations. Beginners and more experienced racers alike came away with some new understandings. In the end, no matter who is right or wrong, just remember rule 14 says everyone has to avoid contact.

Lure of the Wild & Snowy

Recent snows lured this motley crew of sailors to higher altitudes to enjoy one of mother nature's most beautiful days in this beautiful country that we live in. The intrepid John Powell and Dr. Quest (aka *energizer bunny*) led the way down the hills and through the woods to a full day ending in groans and laughter for all.
