# Sunday Skippers in August

Every Sunday from 2-4pm, there will be two checked-out skippers available to take members for a sail. Look out for the skippers and let them know you are interested in sailing. Or ask the Watch Officer at the bar to call them on the radio.

Sunday August 7

Bill Hill

Rick Winans

Sunday August 14

Kelly Pike

TBD

Sunday August 21

**BAYS Regatta: No Sunday Skippers**

Sunday August 28

Charlie Quest

Joe Vohs

# Pillar Point's Pelicans with Deborah Jaques

Friday August 5<sup>th</sup> @ 6:30pm at the HMBYC

Hear stories from thirty years of studying brown pelicans, including fascinating glimpses of what electronic tracking technology used on the Refugio Oil Spill pelicans is teaching us. Nearly 20 of the Refugio birds have been seen in Pillar Point harbor.

Meet(virtually) a few of California's most notable pelicans- the famous K15, who often split his time between the harbor and Pacifica Pier, as well as C84 and Z15, who are both currently spending a lot of time on the breakwater.

*Deborah Jaques is an Astoria, Oregon based biologist. Applied seabird research projects have taken her from the Antarctic to the Olympic Peninsula; the California brown pelican has been a focus of her conservation efforts for more than 30 years. Deborah did graduate research at U.C. Davis on pelican habitat, including an evaluation of oceanographic influences on Northern range expansion and use of communal roost sites. Her recent work in California has been on pelican recovery from last May's Refugio Beach oil spill in Santa Barbara.*

# Summer's Last Youth Regatta

August 20-21, 2016

## *Uncle Clive Needs Y-O-U*

Not for the club, but for the Bay Area Youth Sailing series, that is. Every summer, the BAYS program offers young sailors a full series of regattas, for everyone from the youngest sailors in Opti's to the seasoned high school racers in Lasers, FJs and 420s. This summer series is a Bay Area sailing tradition...and hosting the ultimate regatta in the series has become an HMBYC tradition!

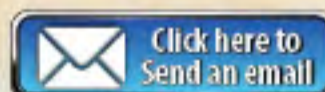

Each year, these youth sailing teams and their coaches converge on our little club for their final event—and we give them excellent racing and show them a great time. This year, the festivities take place on the weekend of 20 and 21 August.

But it doesn't happen by itself. We will have 70+ (yes, seventy) or more youth from yacht clubs all around the bay coming here to race, and we need tons of help to make it work! From onshore support with boat unloading, staging and launching, even feeding 150 sailors, coaches and parents, to on-the-water support with race management, safety boat coverage, and the like, this is the proverbial all-hands-on-deck event.

And we are good at it!

Clive Jones, on behalf of the HMBYC Foundation, is in charge of the weekend's activities.

If you can help out, please email him at [hmbycfoundation@hmbyc.org](mailto:hmbycfoundation@hmbyc.org).

And if he reaches out to you specifically, please try to help out if at all possible.

# *What Comes After Summer Camp?*

Was camp not enough for your young sailor(s)? Or are they a bit too old for anything called “camp” but they’d still like to sail with other young sailors, and maybe get some instruction while they have fun? If so, our new Saturday Morning Youth Sailing class is for you.

These 3-week classes, held on Saturday mornings, give young sailors who have already been through our camps the opportunity to hone their skills and learn advanced techniques on Opti’s, Lasers, and FJ’s. (If they’re interested in the local racing circuit, this is a great place to start!)

Members and their guests only, please...not open to the public. Previous attendance at sailing camp, or equivalent experience, required.

Now open for registration in the club calendar  
***30 July to 14 August • 10 September to 01 October***

*Click Here to access  
the club calendar*

# *Notes from Our June 26<sup>th</sup>* **OYRA (Offshore Yacht Racing) Event**

The last Saturday in June brought an unusual sailing event to HMBYC: the club hosted an event for the Offshore Yacht Racing Association. Close to thirty yachts competed in the OYRA's annual SF-to-HMB race, starting at the St. Francis YC, just inside the Golden Gate, and finishing outside the Pillar Point Harbor breakwater. Steve Smith and Staff Commodore Terri Lahey were the Principal Race Officers, assisted by multiple teams of volunteers from across the club. The starting line team is shown here, but there were still more volunteers on the committee boat at the finish line as well as staffing the galley and dining room—we even provided dinner to the racers and members. Thanks to Sarah Daeuber and Suzanne Padgett as chefs extraordinaire! An excellent time was had by all; many of the racers said that sailing down to our little club is a highlight of their summer

# The 1st Annual Purissima Cup Regatta

## 🚢 Notes from our Saturday July 23 Event 🚢

The first annual Purissima Cup regatta goes into the logbook as a success. Class-level qualifying heats in the morning led to a single 5-mile pursuit race after lunch. There was plenty of wind, to say the least, along with sunny skies and warm temperatures. Everyone had a great time. Congratulations to class winners Mike Day & Joe Vohs in the keelboat class and Kelly & Susan Pike in the dinghy class, as well as pursuit event winners Mike & Joe!

Thanks to the Race Committee, the Safety Boat Team—who had plenty of business all day!—and the galley team, who made sure lunch was ready for the hard-working competitors. Special thanks as well to the Half Moon Bay Distillery and owner/distillers Caesar and Ulli Bisono for sponsoring the event, donating the prizes, and even offering up Caesar as PRO.

\* Sailors, don't be surprised to see *staggered-start pursuit format* show up in other upcoming regattas, by the way.

# Where Have Our Members been In July?

## *Winning Regattas!*

Have you been wondering why we don't have more club regattas during the summer? One reason is that many of our members are busy competing in other regattas. The weekend of 9-10 July was a great example...HMBYC members competed in three separate regattas "over the hill" on SF Bay, and placed on the podium in every case.

**Carliane Johnson** and **Beccie Mendenhall** won their division in the **Westpoint Regatta**, hosted by TI and Sequoia YC's.

**Kiera Cullen** and **Kat Hipkins** placed second in their class at the **BAYS #2 Regatta**, hosted by Encinal YC.

**Marcus Choy**, **Howard Weiss**, and **Caesar Bisano** placed third in their class at the **Lipton Cup regatta**, hosted by Sausalito YC.

## *Congratulations to all the sailors!*

# WANTED

## Editor for the Weekly Spotlight

### ➡ **Qualifications** ⬅

**Enthusiasm, team spirit, Joie de vivre,  
Computer skills, experience herding cats.**

**On-the-job training available.**

**All ages welcome to apply.**

**Click Here to send  
an inquiry email**

## a Note from our Board of Directors

On behalf of the Board of the Half Moon Bay Yacht Club we would like to thank a few of our remarkable volunteers.

To begin with, **Amanda Lien** who has done an incredible job putting out the Club's Weekly Spotlight. Unfortunately for us Amanda's new job is keeping her very busy. Thank You for all of your hard work over the last several years!

Next on the dance card would be everyone that helped out with the Galley cleaning project. To begin with **Sarah Daeuber** and **Suzanne Padgett** who spear headed the effort planning and procuring supplies weeks before the clean-up date. Now most of the crew had planned on being there, though a few fine folks had showed up to sail, they changed their plans when they saw the project at hand. Your hard working volunteers were **Andrew Lindemann, Joe Vohs, Katy Vohs, Linda Galindo, John Simons, Tatyana Budantsev, Eric McFadden, Sylvia Teng**, with further assistance provided by all-star hired hospitality **Zander** and **Thomas!** Thanks are also in order to Rear Commodore **Scott Pyne** for his electrical work at our new coffee station.

Last we would like to thank **Bernard Prinz** who is the force behind our monthly Telltales. We would like to thank Bernard for his exceptional tolerance; especially for the Flag Officers that always want to add things into Telltales long after deadline.

Thank you one and all for your efforts at our little slice of paradise.

*HMBYC Board of Directors*

# *A Note from the Commodore*

I recently had a member pull me aside when I was at the club, point to the Rainbow Flag flying and ask if that meant that we were now a “gay” club. I thought that an explanation might be in order.

The day after the Supreme Court made a landmark decision legalizing the basic rights of marriage to encompass all citizens of the United States the flag officers purchased a rainbow flag. The day after we flew the flag for the first time it mysteriously disappeared — so we replaced that flag with a bigger one. It was and remains to be our intention to fly that flag symbolizing our support of equal rights for all. **The Half Moon Bay Yacht Club does not discriminate based upon ethnicity, religion, political affiliation, education, or gender identity.**

So we fly the Rainbow flag in support of all of those people that until recently did not have equal rights. We fly the Rainbow flag in support of all of our friends, our members, our family, and our guests. We fly the Rainbow flag out of Love.

Thanks,

*Howard Weiss*  
Commodore HMBYC

# Half Moon Bay Yacht Club Welcomes you to our 38<sup>th</sup> Labor Day BBQ & Celebration

Friday - Saturday - Sunday • September 2<sup>nd</sup> - 3<sup>rd</sup> - 4<sup>th</sup>

Friday, September 2<sup>nd</sup>

# All Hands On Deck

## WANTED: LABOR DAY WEEKEND VOLUNTEERS

Labor Day Weekend (*September 3<sup>rd</sup>, 4<sup>th</sup> & 5<sup>th</sup>*) is almost upon us and we need all of our volunteers for the annual undertaking. It will be a lot of fun with SUP demos, karaoke, live bands, and the occasional contest or two....but we will need help.

We will need extra watch officers, prep cooks, safety boat operators, food runners, dock and ferry hands, bartenders, and bar backs.

Sign up is on line. Many thanks to Tami and Jennifer and the crew that has made this happen in years past. The Commodore and company will need a hand or two serving breakfast Saturday and Sunday in addition to all of the other volunteer slots we need to fill. Whatever your element water or land, we could use your help.

Please join us as we welcome clubs from all over Northern California.

*Click here to Sign up on line*

# *Paddleboard Rental Discounts at Mavericks for HMBYC Members*

The club's fleet of SUP's is rather the worse for wear—being dragged on the sand and bumped into the rack beams has taken quite a toll recently. Instead of trying to replace them every month or two, Commodore Howard is pleased to announce that

Cassandra and Jeff Clark have agreed to offer members a 50% **DISCOUNT ON SUP RENTALS** from Mavericks' Paddlesports.

They're right here at the Club, and they have a much better selection than we could ever hope to maintain. Stop by, say hello, and rent a SUP in excellent condition...at a 50% discount.

**Note:** HMBYC members only; must present 2016 badge for discount. Guests also welcome with club member present at time of rental.

# *A Sea Worthy Poem from one of our* **Claire Borkert Girls Sailing Scholarship Winners**

Applicants for the Claire Borkert Girls Sailing Scholarship are encouraged to express themselves creatively. *Thaily Anderberg*, one of this year's winners, wrote the following poem which the judges loved and Women Sailing wants to share with our members.

## *— My Little Boat And Me —*

*By Thaily Anderberg*

Arriving at the dock,  
and looking up to see  
the big, bold words proclaiming -  
the H-M-B-Y-C.

Look for a life vest,  
glancing round with glee,  
especially when I spot,  
a little red opti.

Casting off the warm shore,  
onto the cold, blue sea,  
the only ones that feel this,  
are my little boat and me.

Tacking into the wind,  
cool and calm as can be -  
the only ones that do this  
are my little boat and me.

A pelican diving,  
so graceful, wild and free.  
The only ones that see this  
are my little boat and me.

The sea lions are barking,  
gliding effortlessly,  
the only ones that hear this  
are my little boat and me.

The sun slips behind clouds,  
it starts to get windy,  
hurry to dock the small boat  
before it gets too dusky.

Back inside the warm club  
so toasty as can be,  
Only I know how much fun I had  
and how great my little boat can be.

# Drawing for *Women Sailing* *Seminar* in September

Every year Women Sailing invites new women sailors to put their name in the hat to win a scholarship to the *Island Yacht Club's two day Women Sailing Seminar* in September. This year Suzanne Padgett did the honors of reaching into the hat to choose our winner — and the winner is *Alice Pevyhouse*. We look forward to hearing her report on her experience.

# Women's Sailing Upgrades To *Twice-Monthly*

Women's Sailing recently decided to try meeting twice each month, adding the second Thursday to their long-established fourth Thursday meetings. Their first new date of 14 July was a thorough success. Skippers Carol and Sylvia took several other women out on Argo and Cactus Flower, while Martha provided safety boat support from Angel 2. As you can see, they came back happy!

In August, they'll be going out on the 11th and the 25th...why not join them?

## ***THE SAFETY BOAT TEAM GETS A WORKOUT***

The new Purissima Cup regatta was a challenge for more people than just the competitors: the safety boat team got quite a workout as well. All three of our Angels were deployed for the full day, and even a fourth boat would have been useful. Aside from the usual regatta-management tasks, there were eight (yes, 8!) separate incidents requiring safety boat response:

- 2 capsizes, one with lost rudder
- 2 drifted-out-of-position marks
- A crew member overboard
- A Cal 20 with broken spreader
- A missing offset pin
- A pair of exhausted kayakers

The kayakers were not part of the regatta, of course, but they were also the closest thing to a true “rescue” of the day—they were lucky that we were out there.

Thanks to team members Mark Evans, Jane and Patrick Hillhouse, Todd Enders, Erin Pyne, and Commodore Howard Weiss for their hard work all day!

# PLEASE WEAR YOUR BADGE DURING SUMMER CAMP

Summer youth sailing camp begins on 13 June and runs every weekday through 12 August. With the presence of so many kids at the club, the instructor team needs to be prudent about knowing who else is around...after all, the campers' parents are entrusting their children to us, and expecting us to keep them safe. PLEASE WEAR YOUR MEMBER BADGE WHILE AT THE CLUB so the instructors know at a glance that you're allowed to be there. If you forget, please don't be offended if an instructor asks you to identify yourself. *(Exception: if you're working in the boatyard, especially with power equipment, please do not wear anything around your neck, even your badge. We want you to stay safe too!)*

# Parents: It's Summertime At The Club

Do you know where your Children are?

*Or what they might be doing?*

With the coming of summer, we've seen a lot more kids at the club. Unfortunately, we have also seen a lot of unsafe behavior just in the past few weekends, both on the water and in the clubhouse/event center. We are proud to be a child-friendly club, but we do require that children conduct themselves in ways consistent with club policies on safety and appropriate behavior. While on club premises, children must be directly supervised by a parent or guardian.

We are especially strict about boating and water safety precautions. Any minor going past the upper end of the boat ramp is **required** to wear an approved PFD. Also, please understand that the ferry is **not** a toy or a swim platform, and children are not allowed to operate it without an adult present on the ferry itself. Nor are children allowed on the dock unescorted. Likewise, boats and watercraft—including SUP's and kayaks—are not for use by children except under the direct supervision of a responsible adult.

We also need your help to keep the club clean. Please have your child rinse off their sandy or muddy feet **before** entering the clubhouse or the event center, and use the outdoor shower to rinse off sand before heading in to the regular showers.

Watch officers and dockmasters are authorized to intercede if they see minors behaving unsafely or endangering other members or club property; please don't be offended if one of them needs to talk to you or your child. By following the commonsense rules, we keep the club safe, and our fleet available, for all members. Thanks!
