2019 HMBYC OFFICERS

We'd like to introduce the 2019 officers of the Half Moon Bay Yacht Club. Aside from posting beautiful photos of the Commodores & Directors, *(so you can recognize them if you see one putzing around the club)*, we've asked each officer to briefly describe the responsibilities of their position.

January 2019

Welcome to 2019! And, as of a few Fridays ago, to official winter. The days are already getting longer and there are fewer than 70 nights until Daylight Savings Time returns—those sound like reasons for celebration to me!

Fortunately for us, “official winter” doesn’t get in the way of sailing, socializing, and other club activities. Cactus Flower and Venus Envy 2 are moored in the harbor for checked-out members to use, so you needn’t just sit on shore and wish you were out on the water. And to give credit where it is due, C15 sailing never stops...Charlie Quest runs the twice-monthly Sunday C15 sailing program year-round. We may not be living in the tropics, but still, we’re lucky enough to live in a place where winter is pretty tame.

Back on land, we have multiple social events coming in January, including the annual sponsors’ breakfast, the first of our new monthly family movie nights, and the first of the 2019 Winter Sailing Seminars. Be sure to check out the club calendar for details.

Oh, and more good news from the sailing committee: we will be offering an adult sailing class in February this year...no need to wait for April. Registration should be open now, but if not, contact the Rear Commodore.

Now that the holidays are behind us, I’m looking forward to spending more time at the club, both ashore and on the water. I look forward to seeing you all there!

Fair Winds!!
Scott Pyne

Winter Sailing Mentors Program

We are organizing a program to connect members who are learning to sail with checked out skippers so they can practice skills over the winter. Unlike the Sunday Skipper program in the summer, this program will be for members only and only for those wanting to practice their skills.

We will have a checked out skipper available every Sunday from 12 - 3pm. If weather does not permit sailing the mentors might just teach knots or review sailing basics.

This program will be organized using the free app SLACK. You must be invited to join so email marthahuddle915@gmail.com to be invited. If no one signs up for a given Sunday, the mentor won't either.

We are planning an adult sailing class for the weekend of February 16-17 with a maximum of 6 students since we only have two boats in the water.

A festive time was had by one and all at the holiday tree trimming and potluck. We sang-along to Nina's holiday favorites, children made ornaments, the food was delicious, and Santa made a surprise appearance. Many thanks to volunteers Anita, Bill, Bob, Ellen, Katie, Lisa, Nina and Charles!
