

March 2021

March 2021

Oh what a relief it is!

Covid vaccines are rolling out, cases are dropping (*I hope that keeps up*) and spring is coming our way and days are getting longer. The club looks forward to doing some socially distanced outdoor meals on the deck starting with **St. Patrick's Day Dinner on Friday, March 19**. The tasty menu will be described later in this newsletter.

A huge thank you to all those who came up with ideas for refreshing the look of the club as we reopen. We are finalizing our ideas and will be getting to work soon. Get your work clothes ready - this will be a great opportunity to help out and make some new friends. Stay tuned.

RECRUITING Cal20 SPONSORS

Calling for members interested in volunteering as "sponsors" on our fleet of Cal20s. Sponsors work in teams to maintain and repair our club-owned boats during the winter, and they benefit by getting first dibs on the boats

during sponsor races in the summer! This is always at the core of our club's unique ability to offer free sailing on our boats, and it's a great opportunity to learn new skills in a team environment.

Please contact cal2ofleet@hmbyc.org to get signed up.

the Technology Manager is responsible for the technology infrastructure of the Club. and the ideal person has a Background in technology, especially with experience in **setting up / maintaining / setting requirements** for **technical infrastructure** and **network requirements**.

St. Patricks Day Dinner Registration

To: Martha Huddle
Commodore, HMBYC

Dear Martha,

I would like to commend the sailors aboard HMBYC's S/V Argo for their efforts for reporting the kayaker that fell off his vessel on Sunday the 7th at approximately 3pm. *Linda Galindo* (along with *Katie Alderman*) hailed us on the VHF 16/74 and we were on scene within minutes. The victim may have had a stroke and possibly hypothermic as well. He was awake and responsive, but was taken away by paramedics for medical attention.

Together we can keep our fellow ocean enthusiasts safe here at Pillar Point.

Sincerely,
Gabriel Torres
Pillar Point Deputy Harbormaster
