

July 2021

 **HMBYC CALENDAR**

July 2021

### **The club will be *Humming* in July**

We have sailing events every weekend this month - beer can racing, Purissima Regatta, Cruise out to Petaluma Yacht Club, Adult Sailing Class, Take The Tiller Women Sailing Regatta, and the El Toro National Championship Regatta. Wow! And dinner and happy hour every Friday evening. Plus we have Youth Sailing Camp every week Monday thru Friday.

We have a new volunteer opportunity at the club and it offers a great way to meet members - become a volunteer bartender! You would work along side the Watch Officer pouring drinks and operating the POS system (which is working much better now). None of the other responsibilities of the WO. You mostly pour beer and wine with the occasional mixed drink (feel free to ask customers for directions) and you get to meet and talk to members!

Email me if you are interested: [commodore@hmbyc.org](mailto:commodore@hmbyc.org)

## Club Access:

**You are now free to use the club buildings!**

We are giving club access to all interested members starting in July. If you don't already have the key to the event center bathrooms you will have to download the free Nexkey app. Set up your own account with your mobile phone number for your username and any password you like. Email your mobile phone number to me or Rachel so we can send you the key to the bar and the event center front entrance.

email your mobile number to [commodore@hmbyc.org](mailto:commodore@hmbyc.org)

You will have access from 6am to 8pm. I will be adding the two new keys to all the accounts that already have the bathroom key. Please continue to use the event center bathrooms and use only the members refrigerator in the

bar area - not the galley fridge. Doors will lock behind you. Please make sure the club is secure when you leave.

## BBQ Code

### *Discouraging non member use of the BBQs*

We have built a little cage around the BBQ gas line valve on the deck and locked it. The combination can be found on our website under "about", club facilities, near the bottom.

Members are free to use them. But please don't share with non members. You must also open the black valve that is behind the picnic table closest to the deck in order to get the gas flowing.

## New Club Manager Volunteers

### **Carl Hage is our new Technology Manager.**

Spending his time crawling over, around, and under the clubhouse trying to connect our satellite feed to our new TV, helping improve the speed of our POS system and other things too technical to talk about.

You can reach Carl at [techmanager@hmbyc.org](mailto:techmanager@hmbyc.org)

### **Indrani Stangl is our new Volunteer Manager**

This is a brand new position at the club. She has 15 years experience managing volunteers at a dog rescue facility. We are looking forward to her helping get our members connected with a way to volunteer for the club that works for them and for us.

You can reach Indrani at [volunteering@hmbyc.org](mailto:volunteering@hmbyc.org)

### **Valdeir Faria is our new Social Committee Chair.**

Now that we can finally start socializing, he and his committee will start producing fun events to keep our members entertained! This is a big job and he could use more members on the committee to come up with those fun ideas and to execute them.

You can reach Valdeir at [socialcommittee@hmbyc.org](mailto:socialcommittee@hmbyc.org)

**OYRA** *Offshore Yacht Racing*

## *Notes from our OYRA Race*

HMBYC sponsored the OYRA One Way to HMB race on June 26. Twenty-two boats in 5 divisions started off the St Francis YC race deck. Twenty-one finished outside our harbor south of Buoy 3. One boat retired, probably due to the strong flood on the course all the way out to their turning marks at the SF bay ship channel buoys. The first 2 divisions turned south at the R2 ship channel buoy, and the remaining divisions raced a shorter course, turning south at the

R8 ship channel buoy. All fleets then raced down the coast, rounded Pillar Pt. Harbor buoy 1, before the finish at buoy 3. Results are posted at [Jibeset - Results](#)

Many of the racers came ashore to socialize, eat dinner and drink at our club.

Thank you to Race Committee: Jeff Ebert, Teffaney Ebert, Martha Huddle, Joe Rockmore, Steve Smith and Terri Lahey (PRO). Thank you to Joe Rockmore who ran a shore boat for the racers, and to all the volunteers on land: Katie Alderman, Martha Huddle, Watch Officer Jenny Skoble, Watch Officer Mark Evans, Linda Galindo, Skip Granger, Mike Johnson, Lynn Robbins, Deirdre O'Connor who set up a Ships Store sales table, chef/caterer Denise who fed us, hospitality helper Zaylie Felisiak, and Karen Allanson for her support throughout the race. I apologize if I missed anyone. Thank you, all!

### Be on the *Look-Out*

Watch Officers are vital to club operation and help maintain a club everyone can enjoy. Volunteering as a Watch Officer is a great way to help our club and meet other members.

### RECRUITING Cal20 SPONSORS

Calling for members interested in volunteering as "sponsors" on our fleet of Cal20s. Sponsors work in teams to maintain and repair our club-owned boats during the winter, and they benefit by getting first dibs on the boats during sponsor races in the summer! This is always at the core of our club's unique ability to offer free sailing on our boats, and it's a great opportunity to learn new skills in a team environment.

Please contact [cal20fleet@hmbyc.org](mailto:cal20fleet@hmbyc.org) to get signed up.

### **HMYBC Social Committee**

*is looking for volunteer members  
to help plan future events*

### RECREATIONAL BOATERS OF CALIFORNIA SACRAMENTO REPORT

By Ray Durazo, Staff Commodore, HMBYC

## Registration Fee for Boaters Pending Resolution

June and July are when legislation in Sacramento meets its ultimate destination. Among those issues awaiting the final bell is the proposed state budget which, as reported earlier here, contains provisions that would affect the cost of the fee you must pay to renew the registration on your vessel.

How the process works: First, the Governor publishes a draft budget with his proposals, i.e., "wish list." The proposals are then transformed into two identical bills, one for the Senate and the other for the Assembly. Each house refers the bills to their respective budget committees for review and debate. When that is completed, the bills go back to the Governor for acceptance or rejection.

Readers of this column will remember that the draft budget included a proposed 250 percent increase in the vessel registration fee, setting off alarm bells across the recreational boating community.

As a result of intense lobbying by RBOC and a coalition of boating industry groups, the Assembly bill sent to the Governor eliminates any increase in the fee. Let me repeat: No increase...nada...zip...zero. However, before we start popping champagne corks, let's all have a healthy dose (or doses) of reality.

At this writing, closed-door negotiations between the Executive and Legislative Branches were under way and will ultimately result in a compromise bill that, among other things, sets the actual registration fees for boaters. Out of this process, there are three possibilities:

One potential outcome is a complete halt in raising the fees, as set forth in the Assembly budget bill. Another is the Governor digging in his heels on the original 250 percent increase. The third possibility is a compromise somewhere between the first two outcomes. The deadline for decision-making is July 1, the start of the new fiscal year. However, it may or may not end there.

There is a traditional method for budget-setting known as "trailer bills," which can be passed subsequent to July 1. These bills can pop up at any time over several weeks. They typically focus narrowly on certain line items in the budget, requesting modifications. So, no resolution until the dust settles and everyone is willing to accept the final product.

If you find all this confusing, you are not alone. Please join me, RBOC and the rest of the gang as we sit tight while reading tea leaves. We are hopeful that the process will have come to a merciful end before publication of the August TellTales, at which time we will share the details with you.
