YACHT CLUB

March 2023

## Tell Tales

### COMMODORE'S FLAG

After a bit of a reprieve from the flurry of atmospheric rivers of January, March is starting off to be an interesting weather month as well with a couple more atmospheric rivers. Well, now that we are all amateur meteorologists, we know what an “atmospheric river” is, right? Yet, even with Mother Nature trying to spoil all of our California fun, the Club is still bustling with activity – Friday nights are as busy as ever and we have a bunch of fun events coming up even before sailing season kicks off in April.

Early in February, we had Super Bowl festivities at the club and member Carliane Johnson made a presentation about her Pacific Cup experience. The Valentine's dinner was a huge success – the Club and event center were fabulously decorated and everyone seemed to be enjoying themselves. The food was delicious – Chef Jose Luis did not disappoint. We snuck onto the deck with the little ones in tow to enjoy a quick bite ourselves because we didn't want to miss out on the great food.

Behind the scenes, our Rear Commodore, Karen Allanson, has been working hard with a team of volunteers to finalize the plans for our new dock. And the really good news is that the dock replacement project is ahead of schedule! The dock parts should arrive soon and on March 25-26, officially renamed "Dock Assembly Weekend!", we invite all members, new and seasoned, of all ages (even kids! Yay!), to come down and take part in assembling the dock blocks. No tools or expertise are required. If you like legos, you can do this! We promise some bit of instant gratification and pizza for all who volunteer. Aside from assembly and launching of the dock, we will be coming up with other creative ways to celebrate the new dock as opening day approaches. We really want all members to be able to feel a part of this project and to be able to contribute in any way they can.

March is going to be a great month around the Club and we hope to see you there!

Danielle & Sanjay, Commodores
