July Take The Tiller Regatta Report

The Women Sailing Take the Tiller Regatta was a great success! Seven boats were out with a total of 20 sailors. Morning winds were low and shifty, but a nice lunch provided by Chef Malcolm was a welcome break. After lunch, sunny skies and a nice afternoon wind contributed to a fun day on the water.

On the Committee boat was our PRO Terri Lahey, with the assistance of Martha Huddle. We would not have been able to have a regatta without our support team: Steve Smith, Dave Slater, Ryan Alfonso on mark set, and Mike Day as chase boat driver for our photographer Anita Hart. Many thanks to the regatta team, including Joe Rockmore for lending us his whaler.

What a fun day! Thanks to Laura McGee for organizing and to the volunteers and participants.

Club Responsibilities

This is a gentle reminder we are a volunteer club, and almost all activities of the Club happen because a member volunteered his or her time and effort. Everyone can help in big and small ways. One way we can ALL help is by cleaning up after ourselves. Dishes and glassware need to make their way back to the bussing station on the deck or the kitchen. Leave the club better than you found it!
